## **MEDIA RELEASE**

June 20, 2024

Dear Editor / Head of Department,

### **277 students awarded National Bursaries**

A total of two hundred and seventy-seven (277) students have been awarded National Bursaries by the Government of Trinidad and Tobago under the Ministry of Education's National Bursaries Programme to pursue undergraduate studies, following a review of applications submitted to the National Bursary Programme 2023.

The National Bursary Programme represents a significant investment in our youth, with TT\$36,387,272 allocated in fiscal 2023/24 to cover tuition fees and other allowances awardees.

The Government of the Republic of Trinidad and Tobago, through the Ministry of Education, is focused on transforming the education system to allow for access to learning for all. In 2020, the Ministry implemented the new Scholarships and Bursaries Programme, which increased the number of opportunities for government funded tertiary education from 400 to 600. According to Dr. the Hon. Nyan Gadsby-Dolly, "The National Bursary Programme continues to highlight the government's dedication to fostering equity and empowering students to achieve their academic and career aspirations. This program not only supports individual growth but also plays a vital role in building a skilled workforce essential for Trinidad and Tobago's progress and prosperity."

The MOE takes this opportunity to congratulate all National Bursary Awardees, and wish them the best in their endeavors. Further information on the National Bursaries Programme can be found on [moe.gov.tt](http://moe.gov.tt).
