MEDIA RELEASE

April 28, 2023

Dear Editor / Head of Department,

MOE condemns Bomb Threats Emailed to Schools

The Ministry of Education was informed of bomb threats emailed to several schools across Trinidad and Tobago at approximately 8am today, Friday 28th April, 2023.

In all cases, students have been evacuated, the police have been informed and the Ministries of Education, National Security, the Fire Services and the TTPS are working closely to resolve these situations.

Principals were instructed to apprise parents of the circumstances, and to keep them updated on developments.

In an unrelated issue, the TTPS is also investigating the accosting of the School Safety Officer at Belmont secondary School by adult males this morning.

Staff of the Student Support Services Division are on hand at all schools to render support to staff and students where required.

The Ministry of Education strongly condemns these reckless actions, which destabilize our nation's schools and interrupt the education of our students.

Anyone with relevant information is asked to contact the TTPS forthwith.
