## MEDIA RELEASE

Dear Editor / Head of Department,

### **CXC meets with Regional Ministers of Education on CSEC Mathematics Paper II Leak.**

The Caribbean Examinations Council (CXC) met with Education Ministers across the region to discuss findings coming out of the investigation on the leak of the Paper 2 on Wednesday May 17, 2023. At this time, there have been no reports indicating that any other examination paper leaks have occurred.

Based on CXC's analysis of the situation, it was recommended and agreed that CXC utilize students' scores from Paper I and the School-Based Assessment (SBA) to determine grades for 2023 CSEC Mathematics. This grading system was previously used in 2020 and 2021 and is the alternative to having students repeat Paper 2 with an alternative examination paper.
