

MEDIA RELEASE

August 7, 2025

Dear Editor/ Head of Department

345 Students To Receive National Bursaries

The Ministry of Tertiary Education and Skills Training (MTEST), through its National Bursary Award Programme (2024) has awarded bursaries to three hundred and forty-five (345) students. Valued at fifty-one million, nine hundred and seventy-nine thousand, seven hundred and eighty-nine dollars (TT\$51,979,789), these bursaries will benefit succeeding applicants in the pursuit of undergraduate studies, with sixty percent (60%) of the recipients being females and forty percent (40%) males.

The National Bursary Programme seeks to offer opportunities for government funded tertiary education to academically gifted students experiencing financial challenges as these bursaries will facilitate the coverage of tuition fees and other allowances for fiscal 2024/2025. Senator Professor the Honourable Prakash Persad, Minister of Tertiary Education and Skills Training has stated, "the future of our country is in the hands of our younger generations but it is our duty to provide them with equitable opportunities to prosper as we propel them to learn and foster their contributions to the sustainable national development of their homeland. Access to higher education must be supported for us to truly develop in areas aligned to our needs as a nation."

The Ministry of Tertiary Education and Skills Training remains invested in the diversification of the country's educational system and extends congratulations to all National Bursary Awardees as they continue their academic studies. To find out more about upcoming application periods for the National Bursary Award Programme, follow us on Facebook MinistryofTEST and Instagram @testministry or visit moe.gov.tt for more information.
